What IS an Intuitive Question? Sometimes we all just want a little insight and guidance on a particular area of our lives! You don't always need a full one-hour session! Over the years many clients would write to me asking me 'a quick question' about circumstances going on in their lives that they just needed a little more clarity on. This gave the inspiration to include this as a service!

IQ's are questions that have to pertain to Current events / situations in your life, advice about the future, medical intuition. Be specific with your questions. Include first names when applicable.

Examples are:

"I'm going on an interview for a new job in a dental office? "Will I get the position and when? "

"I am currently in a relationship with Sean. We have been dating for ___ amount of time. Are we going to get married?"

"I feel 'stuck' in my life. My first and middle names are _____. Can you tune into my energy field to see what is going on with why I am so stuck?'

“My niece, ___ (insert first and middle name) is a handful. Her mom, my sister, is worried about her. She is ___ years old. Can you tune into her energy field to see what is going on? “.

My response will be sent to you via email or for a limited time, via VIDEO!

Please note that this service is NOT to be used as a form of Mediumship.

If your question is about the deceased, it will not be answered and you will have to resubmit your Intuitive Question.
